CHAIR'S MESSAGE

Hi to everyone,

I hope you all had a great summer and did fun things. I am sad it is almost over. We had a great National Night Out Against Crime Picnic. We had a lot of volunteers and I want to thank them all for helping out. Also, a big thank you to Madison Community Church for letting us borrow the BBQs. Thanks also to the Police Department, the Fire Department, Emergency Management, Sound Light Karaoke and The Boys and Girls Club, the Office of Neighborhoods, Safeway and Albertsons. We could not have done this event without all of you.

If you have any ideas on a speaker that you like to hear, let me know. I like to have a variety of speakers on topics that interest you.

Our guest speaker for September will be **Mayor Stephanson**. Please come with your questions or e-mail to me (info above). He is always a great speaker so please come. He wants to hear from you about your concerns and priorities. Come learn what is happening in our city.

Have you been to the farmers market yet? Everett has 2!

1. Everett Mall (outside Sears) is Fridays from 3pm to 7pm.
Their last day will be on September 26th. It is so much better than last year.
2. Waterfront off W. Marine View Dr. on Sundays 'til October 5th. I love getting fresh fruits and vegetables. But they do have so much more to offer. You've got to go there hungry because they have awesome food. Please check it out before they close for the year.

Off Leash Dogs Parks: Here is a list of the Parks in Everett that have off-leash areas

- Howarth Park north beach only (turn right at foot of trestle/go past creek)
- Loganberry Lane wooded path end of 18th
- Lowell fenced area north of tennis courts.

Be sure to stay with your dog and please bring supplies to clean up after them.

If you don't clean up after your dog you could get a fine of \$250.

The Everett Philharmonic is opening up their 5th season on *October 5th* at the Everett Civic Auditorium. It is entitled German Masterworks directed by Dr. Paul-Elliott Cobbs. This is a passionate program that features engaging music of the German Masters. It opens with Richard Strauss' Vienna Philharmonic Fanfare and more awesome music. Before the show Dr. Cobbs will invite the audience to attend his informal and informative Stage side Chat. Dr. Cobbs will share insights and anecdotes connected with the evening's composers and works. If you love music what a great time this will be.

Car prowls are on the rise. Here are some safety tips if you leave your car unattended.

1. Always lock your car, roll up the windows and take your keys with you.
2. Do not leave valuables in your car.
3. If you have to leave items in your car be sure to put them in your trunk before you arrive at your location.
4. Stop and take note of your surroundings before leaving your vehicle. If you notice anything suspicious, call 911

If you see graffiti please call the Graffiti Hotline at **425-257-URIT** (425-257-8748)

When we keep cleaning graffiti it discourages the continuing problem.

Let's try to keep our neighborhood clean.
